

MD MEDICAL HELD ONE OF THE MOST POPULAR EVENTS FOR PREGNANT WOMEN

17 March 2025. MD Medical Group IPJSC ("MD Medical", "Mother and Child Group", "Group" or the "Company"), a leading Russian private healthcare provider, held the traditional Mother and Child Festival for pregnant women, which was attended by a record number of 1,000 people, including 550 expectant mothers.

Moscow hospitals and clinics of the Group presented information about themselves and their capabilities at their stands, demonstrated innovative equipment placed in the clinics, and doctors present answered questions of the festival participants.

Leading doctors, doulas, midwives, art therapists and psychologists of Mother and Child Group of Companies held 23 master classes on a variety of topics. In addition, doctors of various specialties gave 38 lectures on pregnancy, childbirth, peculiarities of baby care and nuances of early childhood development that every parent should know about.

At the end of the festival there was a drawing of prizes, including gifts from partners, as well as certificates for free births in MD GROUP and Lapino hospitals.

The company always participates and tries to organize educational events to raise awareness of women about their and their child's health, as well as the right choice of medical institution for safe and comfortable childbirth.
