

MD MEDICAL GROUP OPENS A NEW CLINIC IN KRASNOGORSK

16 January 2025. MD Medical Group IPJSC (“MD Medical”, “MDMG”, “Group” or the “Company”; MOEX: MDMG), a leading Russian private healthcare provider, announces the opening of its new clinic in Krasnogorsk of Moscow region.

The Mother&Child Krasnogorsk clinic with a total area of 242 sq m offers a wide range of specialized services for women in planning and management of pregnancy, treatment of non-pregnancy and infertility, recovery after childbirth, treatment of gynecological diseases. The clinic is staffed by highly qualified specialists, candidates of medical sciences: obstetricians-gynecologists, reproductive specialists, therapist, neurologist, cardiologist, gastroenterologist, mammologist-oncologist, endocrinologist, phlebologist, nutritionist and cosmetologists. The clinic will provide physiotherapy, laboratory tests, ultrasound and functional diagnostics.

The capacity of the clinic allows for 36,000 outpatient visits per year. Situated in leased premises, Mother & Child Krasnogorsk has received a total investment of RUB 44 million for its opening and outfitting, financed entirely through the Company’s own resources.

MDMG CEO Mark Kurtser said:

«We start the year 2025 with the opening of a new Group clinic and thus become even closer to the patient. Already today, residents of one of the fastest growing districts in the Moscow region will be able to receive medical care provided by highly qualified Mother&Child specialists in their immediate neighborhood. The dynamic development of our outpatient network allows us to become even more efficient in terms of both the availability of our services and the creation of additional patient flow to the Company's hospitals. »
